

# **Show me the way to go home**

## **Verse 1**

I have watched the days, melt and fade away  
Ten thousand times or more  
And I have found the answers  
In the sand upon the shore

## **Chorus 1**

No matter where I roam  
Over land or sea or foam  
And you will always hear me singing this song  
Show me the way to go home

## **Verse 2**

I've sat here in the sun, and listened to everyone  
On the questions that they pose  
And I have found the answers  
In the petals of a rose

## **Chorus 1**

## **Chorus 2**

Show me the way to go home  
I'm tired and I want to go to bed  
I had a little drink about an hour ago  
And it's gone right to my head

## **Chorus 1**

## **Verse 3**

I've watched you come and go, and I've learned enough to know  
There's nothing left to see  
And in my life I've loved a girl  
And I know that she loved me

## **Chorus 1**

## **Chorus 2**

## **Chorus 1**

## **Ending**

And you will always hear me singing this song  
Show me the way to go home  
Show me the way to go home  
Show me the way to go home
