

# Fireball XL5

[intro chords] D C

G Em Am D7  
I wish I was a spaceman The fastest guy alive  
G Em Am D7  
I'd fly you 'round the universe In Fireball XL5  
G Em Am7 D  
Way out in space together Conquerors of the sky  
G Em  
My heart would be a fireball, a fireball  
C D7 G D7  
Every time I gaze into your starry eyes

G Em Am D7  
We'd take the path to Jupiter And maybe very soon  
G Em Am D7  
We'd cruise along the Milky Way And land upon the Moon  
G Em Am D  
To a wonderland of star dust We'd zoom our way to Mars  
G Em  
My heart would be a fireball, a fireball  
C D7 G D7  
Cause you would be my Venus of the stars

G Em Am D7  
But though I'm not a spaceman Famous and renowned  
G Em Am D7  
I'm just a guy that's down to earth With both feet on the ground  
G Em Am D  
It's all imagination I'll never reach the stars  
G Em  
My heart is still a fireball, a fireball  
C D7 G D7  
Every time I gaze into your starry eyes

G Em  
fireball, fireball  
C D7 G D7  
Every time I gaze into your starry eyes
